

27. 5. 2011

Grand Hotel Metropol, Portorož, Slovenija

Spoštovani,

v okviru evropskega projekta **B2B Loco** vas vljudno vabimo na drugo konferenco posvečeno transportu in logistiki ter prenosu znanja iz evropskih raziskovalnih projektov v poslovno prakso. Konferenca bo potekala hkrati z »Mednarodnim posvetom o prometni znanosti - ICTS 2011«, ki ga organizira Slovensko društvo za znanost v prometu.

Udeleženci konference bodo:

- seznanjeni s primeri dobrih praks s področja transporta in logistike, ki so se razvile na osnovi rezultatov evropskih projektov
- izvedeli, kako lahko podjetja in druge organizacije izkoristijo znanje in izkušnje pridobljene skozi projekte
- spoznali izkušnje organizacij, ki so v evropskih projektih že sodelovale.

Podrobnejše informacije o konferenci bodo kmalu dostopne na www.b2bloco.eu.

Za kakršnakoli vprašanja, predloge in sugestije se prosimo obrnite na go. Katjo Hanžič po e-pošti na naslov katja.hanzic@uni-mb.si.

Veselimo se vaše udeležbe.

Ekipa projekta B2B Loco

Dear Sir/Madam,

the **B2B LOCO** project is inviting you to participate in the second project's conference dedicated to "Transport and logistics - from EU projects to business practice" to be held together with the "International Conference on Transport Science - ICTS 2011" organized by Slovenian Society for Transport Science.

The participants of the B2B LOCO conference will have the opportunity to:

- familiarize with best practice solutions developed from EU projects in logistics and transport
- learn how enterprises may benefit from European Projects
- gain first-hand experiences on participation in EU projects and in Seventh Framework Programme

More information on the conference will be soon available at www.b2bloco.eu

Should you have questions, suggestions or would like to express your interest in the conference, please don't hesitate to contact Mrs. Katja Hanžič at katja.hanzic@uni-mb.si

We will be pleased to meet you on our event.

Best regards,

B2B Loco team
