

2nd B2B LOCO conference

Summary of presentation titled:

Transporeon – transport ordering system

made by

**mag. Armin Musija
TRANSPOREON, Ulm, Germany**

Grand Hotel Metropol, Portorož, 27. 5. 2011

Content of presentation:

1. How the TRANSPOREON platform (Connect shippers from industry and retail business with their carriers worldwide) works.
2. What are the benefits from using the platform?
3. What improvements can carriers and shippers achieve – the presentation will be based on our customer's (Ursa) experiences regarding the platform
